Dear Ms. Morgan:

**PETITIONS OFFICE**

The Decision dated August 29, 2003, rejected the Applicants' prior Petition Under 37 CFR 1.137(B) for failure to provide the exact filing date of the foreign application and for failing to respond to a pending office action.

Applicants respectfully submit that after filing the Petition on June 3, 2003, Applicants filed a Supplemental Statement in Support of the Petition on June 24, 2003, at the request of Ms. Latrice Bond of the Office of the Petitions. In this Supplemental Statement, Applicants provided the requested foreign filing date. A copy of this Supplemental Statement along with the letter to Ms. Bond accompanies this Renewed Petition.

Applicants also respectfully submit that a Response to the Office Action dated January 2, 2003, was filed on July 2, 2003. Accompanying this Supplemental Statement is a copy of this Response and its post card that was returned by the Patent Office.

In view of the foregoing, Applicants request that the Petition Under 37 C.F.R. 1.136(B) be granted at the earliest possible date.

Sincerely,

Mani Adeli

Dear Sir:

For the above-identified patent application, Applicants filed a Petition under 37 CFR § 1.137(B)/(F) on June 3, 2003. For another petition that Applicants filed on June 3, 2003 for U.S. Patent Application 10/066,264, Applicants received a request from the Office of Petitions on June 23, 2003, to provide the date of foreign filing of patent applications that are related to, and have the same specification as, the Patent Application 10/066,264.

Just in case the Office wants the same information for the present application (09/739,589), Applicants have prepared this Supplemental Statement to notify the Office that December 5, 2001 was the date of foreign filing of a patent application that claims priority to the patent application (09/732,181), which is the parent of the present application and has the same specification as the present application.

Dated: June 24, 2003

Respectfully submitted,

By: \_\_\_\_\_
